

## Heather Gardens Clubhouse/Restaurant Committee Meeting

January 11, 2022

Chair, Maria Mines opened the meeting at 3:08 PM with all committee members present. Report of the December 14th meeting was approved as written.

Maria's computer was having audio technical difficulties, so different committee members carried on the meeting according to the agenda.

**Report from Clubhouse Manager.** Montrell Anthony said that the pool was cleaned and repaired and opened on 3 January 22. The New Year's Eve party was a success, and he thanked all people that helped with that event. His motto continues to be the mission for the Clubhouse: "leaders in customer service." He and Cormac are working together to plan events for the coming year, like a Super Bowl watch party. He is reviewing all available resources that may be used for events in the Clubhouse, and monitoring their use to ascertain their feasibility, like the new revised hours of operation. These new hours of operation were announced through Piler e-mails and Heather 'N Yon to all residents. A Volunteer Orientation is scheduled for 21 January in the Auditorium.

**Report from Restaurant Manager.** Cormac Ronan reported that 90 meals were served at the New Year's Eve party. The Super Bowl watch party is in its planning stages, and he is working with the Golf pro to possibly start TV watch parties for golf events. There are new menu items in progress and he and Montrell are working together to set up a list of volunteers who could service both facilities. He has contracted with a club who will be using the Restaurant on the 2<sup>nd</sup> Saturday of the month for a breakfast meeting. He also stated that COVID is still a defining problem for the Restaurant.

**Unfinished Business:** The Restaurant survey conducted by the previous CH/R committee was discussed briefly, and Cormac stated that he is using some of the suggestions contained in the survey. Montrell will be the coordinator for the Volunteer Group wishing to help with the Club House and Restaurant functions.

**New Business:** The workshop requested by the CH/R committee will be conducted by our CFO Jerry Counts on 28 January, at 2:00 PM. Some committee members prefer to attend in person in the Board Room, but the workshop will also be available through Zoom for those who prefer that option. The general public will be invited to attend and listen to the presentation, although they will be restricted from speaking. Evelyn will send a Piler e-mail to all HG residents for this purpose.

There were no questions or comments from attendants, and with no further business to discuss, the meeting was adjourned at 3:42 PM.

The next Clubhouse/Restaurant Committee meeting will be held February 8, 2022, at 3:00 PM.
